

Curriculum Vitae

Dr. Eva-Maria Brodte

Education

2002–2006	<u>PhD thesis</u> , University Bremen / Alfred-Wegener Institute for Polar- and Marine Research
	<u>Diploma Thesis</u> , University Bremen / Alfred-Wegener Institute for Polar- and Marine Research
2000-2001	
1996-2001	Marine Biology, Ecology, Geography, University Bremen
1993-1995/6	Biology, Heinrich-Heine University Düsseldorf

Professional profile

Since 2015	Senior scientist	Alfred-Wegener Institute for Polar- and Marine Research (AWI)
2013-2015	Projekt coordinator	University Rostock and Leibniz-Institut für Ostseeforschung Warnemünde (IOW)
2010-2013	Senior scientist	Bioconsult Schuchardt&Scholle GbR
2007-2010	PostDoc	AWI, WG Trophische Interaktionen in pelagischen Ökosystemen – die Rolle des Zooplanktons
Feb. 2006	PostDoc	AWI, WG Ökophysiologie mariner Tiere
2002-2006	Scientist (PhD)	AWI, Sektion Marine Ökologie und Ökophysiologie, WG Fisch- und Benthosökologie und AG Ökophysiologie mariner Tiere
2001-2002	Junior Scientist	AWI, WG Fisch- und Benthosökologie

Own Guest research activities / visiting scientist

2010	Biologische Station Helgoland
2008	Biologische Station Helgoland
2004	South African Institute for Aquatic Biodiversity (SAIAB, former J.L.B. Smith Institute for Ichthyology), Grahamstown, Südafrika
2000	University Bergen and Stavanger, Norway
1998 - 2004	Meeresbiologische Station Universität Münster in Carolinensiel (twice annually)

Third party founded projects

2017 -2022	ASSEMBLE + (EU-Project; Prof. Maarten Boersma, Dr. Eva Brodte)
2016	Our Common Ocean (BMBF, Frau Pasdzierny)
2016	Mehr Meer (BMBF, Dr. Antje Wichels)
ab 2015	NF-POGO Centre of Excellence (NF-POGO, Nippon Foundation, Prof. Karen Wiltshire)
2007 – 2009	HGF – Wiedereinstiegstelle (Dr. B. Niehoff, Dr. E. Brodte)
2001 – 2002	Offshore WEA , BMBF (Dr. R. Knust, Dr. J. Heuers)
2000	EU Project CLICOFI (Prof. Dr. H.-O. Pörtner, Dr. R. Knust)

Internationale cooperations (start date)

2022-2024	ORIENTATE, Meerwissen 3. Call, Dr. Lobna Boudaya, DR Lassad Neiffar, Universität Sfax, Tunesien
2019-2022	Taking the pulse of the Ocean, Meerwissen 2. Call, Dr. Ibrahim Camara, Dr Baye Mbaye, Prof Saidou Sall LPAOSF Senegal
2018-2022	OPENMOD, POGO, Dr Riccardo Gerin, OGS, Trieste, Italy
2017-2022	ASSEMBLE plus consortium
2017	Prof. David Kadko, Florida International University
2013-2015	Mari Jonnesuu, University Finland
2009/2012	Marion Twomey (School of Biological, Earth and Environmental Sciences, University College Cork, Republic of Ireland)
2004	Dr. M.E. Anderson (SAIAB, Grahamstown, Südafrika)
2001	Prof. Ole Brix, Solveig Thorkildsen (University Bergen, Norway)
2000	Prof. Gunnar Naevdal, Torhild Johannsen (University Bergen, Norway)
1998	Dr. Guus Eltink (RIVO, Nederlands Instituut voor visserijonderzoek, IJmuiden, Netherlands)

Expeditions

Oct 2021	Scientific cruise leader Heincke cruise HE587 Coastal Summer school (Training cruise)
Feb 2020	Scientific cruise leader Heincke cruise HE547 Coastal Summer school (Training cruise)
July 2019	Scientific cruise leader Heincke cruise HE535 Coastal Summer school (Training cruise)
June 2019	Expedition coordinator and lecturer/scientist SoNoAT 2019 RV "Polarstern" PS120 (Transit Stanley - Bremerhaven)
April 2019	Scientific cruise leader Heincke cruise HE 530 NF-POGO Centre of Excellence (Training cruise)
April 2018	Scientific cruise leader Heincke cruise HE NF-POGO Centre of Excellence (Training cruise)
April 2017	Scientific cruise leader Heincke cruise HE 484 NF-POGO Centre of Excellence (Training cruise)
Nov 2016 – Dec 2016	Participation as scientist NoSoAT 2016 RV "Polarstern" PS102 (Transit Bremerhaven - Kapstadt)
April 2016	Scientific cruise leader Heincke cruise HE 464 NF-POGO Centre of Excellence (Training cruise)
Nov 2003 – Jan 2004	Teilnahme als Wissenschaftlerin an der „Bendex“ Fahrt an Bord der RV "Polarstern" (Bouvet, Weddell See und antarktische Halbinsel)
April – May 2002	Participation as scientist "Lamos" Fahrt an Bord der RV "Polarstern" entlang des Scotia Arc und an die antarktische Halbinsel
July – Dec 2001	Scientific cruise leader of monthly cruise in the North Sea Monitoring effects of Offshore windfarms on the Marine environment RV "Heincke"
April – May 2000	Sampling in Stavanger (Norwegen)
1998 – 2004	Scientific cruise leader cruise „Polaris“, Monitoring the crustaceans and fish in the Wadden Sea
April - May 1998	Participation as scientist "Egg survey cruise" RV "Tridens" (RIVO, Nederlands Instituut voor Visserijonderzoek), Biskaya
From 1996	Participation on cruise in the Baltic and North Sea

Teaching experience

September 2017 from April 2016 on	Lecturing regional NF-POGO training at the NUIG Galway Training / lecturing on shipboard training
from Oct. 2015 on from Sept. 2007	Lecturing in the NF-POGO Centre of Excellence Supervision of PhD , Master and Bachelor students

2007	Teaching in an elementary basic school in Bremen
2001 – 2005	Practical supervision of student courses, lectures and excursions
from 2001	Supervision of Diplom students
from 2000	Supervision of trainees
