

Evaluation of Lectures

Winter term 2006/2007

Dear Student (PEP and Wahlfach),

To improve and assure the quality of our lectures in the Environmental Physics curriculum we kindly ask you give us an honest feedback. Please take a little time to answer the brief questionnaire give below. Please give us frank answers.

This evaluation will be anonymous, so please don't undersign this sheet or mark it with your name.

In behalf of the PEP team,

Lars Jeschke

Title of Lecture:

Positive remarks about this lecture:

Lecture can be improved in:
