

Master Students Day at the Alfred-Wegener-Institut Bremerhaven

Dear PeP Students,

Like in every year we would like to invite you for a visit of the Alfred-Wegener-Institut Bremerhaven (AWI) for getting informed about the different working groups in the climate sciences division, and the opportunity of writing your master thesis at the AWI or in close collaboration between the IUP and the AWI working groups.

After short introductory talks about the different research topics, individual visits and one-to-one discussions within the working groups are possible.

We are happy to welcome you at the Alfred-Wegener-Institut Bremerhaven!

Date: 4 February 2010, 10:00h

Location: Alfred-Wegener-Institut, Bremerhaven
Bussestraße 24, Building F, "Glaskasten"
27570 Bremerhaven

Contact: Klaus.grosfeld@awi.de
+49 471 4831 1765

With best regards,

Klaus Grosfeld

Programme:

10:00h: Welcome, Introduction, short schedule (Klaus Grosfeld)
10:15h: Observational Oceanography: The Arctic Ocean (Ursula Schauer)
10:30h: Observational Oceanography: The Southern Ocean (Eberhard Fahrback)
10:45h: Sea Ice in the Climate System (Rüdiger Gerdes)
11:00h: Ocean Dynamics and Modelling (N.N.)
11:15h: Paleo Climate Dynamics (Gerrit Lohmann)
11:30h: Glaciology and Carbon Cycle Modelling (Peter Köhler)
11:45h: General discussion of possible master thesis
12:00h-12:45h: Individual visits of working groups

13:00h-13:30h: Lunch

13:45h: Visit of Cold Lab, Glaciology

14:15h: approx. end of AWI-visit
