Gardening, Swimming, Diving, Cycling,
Reisen, Cooking

media contacts; establishment of an international press distribution list; media impact analysis; event management and exhibitions.

Post-Doctoral Researcher, 05/2004 - 08/2004

Alfred-Wegener-Institut Helmholtz-Zentrum für Polar- und Meeresforschung - Bremerhaven

Publication of research results in scientific journals in the field of UV-protection mechanisms and antioxidative properties of marine macroalgae; Project applications for third-party funds.

Scientific employee at AWI, 01/1999 - 01/2003

Alfred-Wegener-Institut Helmholtz-Zentrum für Polar- und Meeresforschung - Bremerhaven

Promotion within the third-party funded project „Marine organisms as source for new natural substances (MONA)“.

Creating working hypotheses; conception of laboratory experiments and sampling strategies in the field; isolation, maintenance and cultivation of macroalgae; nutrient analysis; primary production, photosynthesis and respiration measurements; enzyme biochemistry; High Pressure Liquid Chromatography.

EDUCATION

Promotion: Marine Biology, 01/1999 - 01/2003

University of Bremen – Bremen, Germany

Diploms: Biology, 10/1991 - 01/1998

University of Bremen – Bremen, Germany

Study of the french language and culture, 10/1990 - 06/1991

Institut Catholique - Paris, France

ZERTIFICATES, FURTHER EDUCATION

- 2023 Conflict Management: Conflicts in teams, conflict resolution, labour law (AWI)
- 2022 Introduction to mediation (University of Bremen)
- 2021 Pivot, Basic and advanced course (Wiso)
- 2020 Qualification „Managing employees working from home“ (AWI)
- 2016 Qualification „Structured application interviews“ (AWI)
- 2015 Qualification in “Manage complexity” (Helmholtz Academy for Manager)
- 2014 Qualification in “Annual one-on-one meetings - employees and their supervisor” (AWI)
- 2014 Qualification in “Research evaluation and research controlling” (European Academy for Taxes, Economy and Law)
- 2014 Qualification in “Effectice data management, key performance indicators, strategy” (European Academy for Taxes, Economy and Law)
- 2011 Qualification „Attract professors“
- 2009 – 2011 Qualification in “General Management” (Helmholtz Academy for Manager)
- 2008 Qualification in “Internal communication” (Deutsche Presseakademie)
- 2006 Qualification in “Methodical public relations” (German Institute for Public Relations)

ACTIVITIES AND AWARDS

FUNDING AND AWARDS:

09/12 Coordination of International Summer School „Climate Change in the Marine Realm“ (Siftung Mercator, 120TEURO).

09 - 10/96 Travel stipend of German Academic Exchange Service for an internship Museu Paraense Emílio Goeldi in Belém, Brasil.

STAYS IN FOREIGN COUNTRIES AND EXPEDITIONS

- 2022 Participation in Polarstern Expedition PS132
- 2010 Participation in the international ice core drilling project NEEM.
- 1999 und 2000 Koldewey Station Spitsbergen, field work and sampling for PhD project. Vice-coordination for expedition and scientific diving operation
- 09/96 - 01/97 Internship at the University of Manila, Bolinao Research Station, Philippines. Fauna of sea grass
- 12/95 - 01/96 Internship at Museo Paraense Emilio Goeldi, Belém/Pará, Brasil and cooperation with the University of Belém/Para within the project (Mangrove dynamics and management/MADAM).
